

Contract Training

An Alternative Form of Contract

The course is designed to provide a detailed analysis of JCT type sub-contracts and NEC sub-contracts; an understanding of the difference of importance of the Sub-Contractor's programme between JCT type Sub-Contracts and NEC Sub-Contracts and the difference in administering JCT type and NEC Sub-Contracts.

WHO SHOULD ATTEND THE COURSE?

The course is designed specifically to provide a broad appeal and is targeted at construction staff who work with JCT and NEC sub-contracts; which includes; Contract Managers; Project Managers; Commercial Managers, Quantity Surveyors and Credit Controllers.

HOW LONG IS THE COURSE?

The course is for 1 full day and is extensive.

Confederation of Construction Specialists members are eligible to receive preferential rates.

NEC3 sub-contracts - did you know?

NEC3 Sub-Contracts are drafted on the premise that both the Main Contractor and Sub-Contractor will comply with it. Therefore, it does not always state sanctions should one party fail to comply with its requirements.
